

AFTER SCHOOL ACTIVITIES/CLUBS

SIGN UP FORM

My child _____ in grade _____ would like to attend the selected after school activities included with this sheet. I have made sure that the activities I have marked are grade appropriate for my child and the dates do not conflict with other clubs he/she wants to take (Please see the attached afterschool activities/clubs sheet for a detailed description of age appropriate clubs, dates the club meet, where they meet, etc.).

Please fill out **one form per child**. Return this form to your child's teacher by A.S.A.P. but no later than Tuesday, Sept. 4th as some clubs begin on 9/4 (Tennis, Caritas Journey, Little Flowers) It is important to turn this form in on time so that your child's spot is reserved. This also allows the moderators an idea of how many students they can expect. For Young Rembrandts, Bricks4Kidz, Soccer Shots and Tennis, please follow the instructions on the registration form for payment and enrollment into the club (registration forms are in the office and on our website).

If your child signs up for a specific club/activity, please ensure they attend the club/activity on a regular basis. It is not fair to the moderators who give of their time, not to have students show up. If your child signs up for a club that meets twice per week, it is important that they attend both days, if this conflicts with another club/activity, then please choose just one club/activity for them (with the exception of Tennis which students can go either once or twice per week.

Please keep the attached list of activities at home in a place that allows your child to glance at the days the club meets. If a club is going to be cancelled on the meeting date, the moderator will email you to let you know. We ask that you check your email before phoning the office to check if a club is cancelled. If you have a relative or friend picking up your child please make them aware of the afterschool clubs/activities your child will be participating in so that there is no confusion. If a moderator has to cancel the club on a specific day, your child will be sent to extended care and extended care fees will apply. Most of these activities are run by volunteers so from time to time they may have to cancel the club and will do their best to give you as much notice as possible.

Your child's teacher will ensure that they are sent to the respective club meeting place, as long as they have received your completed sign up form.

If you have further questions, please contact Mrs. Curtis at dcurtis@stlukestockton.com or 464-0801 ext. 211.

Please provide an email address and phone number where the moderator can reach you during the day. In some cases a moderator may not be able to make it to their club and this will ensure you receive either an email or phone call. If we cannot reach you, your child will be sent to daycare.
